Amusement Devices Regulations 1978

- (3) Every person inspecting an amusement device pursuant to subclause [\(2\)](#) of this regulation shall have regard to whether:
- (a) The ground on which the device is erected is capable of supporting it without risk of subsidence:
 - (b) There is sufficient clearance between any part of the device and any fixed or moving objects in its vicinity to prevent injury to any person when the device is in operation:
 - (c) Such protective fences or barriers as the local authority may require are erected:
 - (d) In all other respects, the erection and proposed operation of the device complies with the local authority's bylaws.
- (5) A local authority to which an application for a permit in respect of an amusement device is made shall issue the permit if:
- (a) The application is in accordance with these regulations; and
 - (b) The application is accompanied by the fee prescribed by subclause [\(6\)](#) of this regulation; and
 - (c) The person who inspected the device was satisfied of the matters specified in subclause [\(3\)](#) of these regulations.
