ECONOMIC DEVELOPMENT RATING INCENTIVE

Objectives of the Policy

The Gore District Council offers a rate remission as an encouragement for business development and growth.

Conditions and Criteria

- The incentive will be made available, on application, for new business initiatives and for expansion of existing businesses that meet the following criteria.
- The Council must be sure that it is not providing an advantage to one business over another when there is competition between two or more business enterprises.
- Council support will only be given to well-planned developments from applicants who can show a good track record of success.
- No incentives will be given as a subsidy to 'stay alive.'
- Incentives will be relative to employment opportunity and the creation of full time positions or full time equivalent positions (fte). Each fte is required to have a value of \$10,000 or more and must be resident within the Gore District.
- The scale of incentives will be –
 - 10 ftes = general rate reduction of 10.0%
 - 20 ftes = general rate reduction of 10.0%
 - 50 ftes = general rate reduction of 10.0%
 - 100 ftes = general rate reduction of 20.0%
 - 150+ ftes = general rate reduction of 25.0%
- Rates reductions will be paid retrospectively upon receipt of evidence that the employment opportunities have been created.
- The rate reductions will be available for up to three years
- All applications must comply with relevant legislation.
- The Council may apply additional conditions as it sees fit from time to time.
- The Council may cancel any remission granted in respect of the rating year in the event of non-compliance with any conditions imposed and if it does so, it may require full rates to be paid.
- The application of this policy will be at the sole discretion of the Council.

PENALTIES

Objective

- The objective of the remission policy is to enable the Council to act fairly and reasonably in its consideration of rates which have not been received by the Council by the penalty date due to circumstances outside the ratepayer's control.

Conditions and Criteria

The Council may remit the penalty rates where the applications meet the following criteria:

1. Remission of one penalty will be considered in any one rating year where payment has been late due to significant family disruption. Remission will be considered in the case of death, illness, or accident of a family member, as at the due date.
2. Remission of the penalty will be granted if the ratepayer is able to provide evidence that their payment has gone astray in the post or the late payment has otherwise resulted from matters outside their control. Each application will be considered on its merits and remission will be granted where it is considered just and equitable to do so.
3. Where the circumstances are such that to not remit some or all of the penalty would be unfair or unreasonable and inconsistent with the criteria above.
4. The Council may remit small balances due to cash rounding.
5. Decisions on remission of penalties will be delegated to officers as set out in the Council's delegation manual.

MIXED RESIDENTIAL/COMMERCIAL USE PROPERTIES WHERE THE OWNER/ OPERATOR RESIDES ON THE PROPERTY

Objective

- The objective of the remission policy is to address the inequitable circumstance whereby a live in operator of a mixed use property is charged two sets of fixed charges, and one residential parks & reserves rate and one commercial parks & reserves rate as the property is divided into two separately used or inhabited parts (residential and commercial).
- A mixed use property is defined as a property where there is a commercial activity operating from within the residential dwelling. For example, a diary or a hairdressing business operating from the residential dwelling.
- This policy recognises that both parts are occupied by the same person and no separate party benefits from services provided by the Council

Conditions and Criteria

1. A mixed use property where the owner/operator of the commercial activity resides on the property, it is entitled to a remission of:
 - a. The second: UAGC, Wheelie bin rate (only one set of bins provided), Water rate and Wastewater and Stormwater rate on that property. It will not apply to the additional water rate and additional wastewater and stormwater rate.
 - b. Half the residential parks and reserves rate and half of the commercial parks and reserves rate on that property (where the part of the property valued commercial is in the 2nd or 3rd highest differential category for the parks and reserves commercial rate).
2. The live in owner/operator must sign an annual declaration confirming that they live on the property. This must be received by the Council prior to the commencement of the rating year.
