New office hours

Our staff pride themselves in delivering the best customer service they can. As part of this, we have introduced weekly team meetings each Thursday morning. This means our main office will open at 9.00am on a Thursday and close at 5.00pm. Opening hours for the rest of the week remain the same ie 8.30am to 5.00pm.

2019 / 2020 Annual Plan – We're on track

2019/2020 Annual Plan is on track to deliver on the targets identified in the 10-Year-Plan.

Given there are no significant changes requiring public input, there is an update on our website highlighting major projects and some key points, including a proposal to change how we classify dogs for registration purposes.

We are not going through a formal consultation process this time. The public is always welcome, any time of year, to provide feedback on anything relating to our services and facilities either by talking to our councillors, via email or post, or our new app Antenno.

Don't be late with special licence applications

Twenty – that's the magic number you need to remember if you are applying for a special licence to sell alcohol at an event or occasion, such as a fundraiser or sports match.

Twenty working days before your event is the latest you should apply to ensure you get the licence in time. Any later and you risk missing out. For more information go to www.goredc.govt.nz/our-services/alcohol/ or call us on **(03) 209 0330**.
