

Gore District Council
Gore Ward
Electing 5 Councillors

Nick GRANT

My principal place of residence is in the Gore Ward area.

I have lived in the Gore District for 24 years, am married to Dione and we have 3 children.

I am currently a member of the Gore Main Board of Trustees and believe I have the governance

skills to communicate with our community, understand regulations, assist council to work co-operatively and make quality decisions for better community outcomes.

I am a Certified Plumber and own a plumbing and heating business servicing the Gore District which gives me sound knowledge of infrastructure and the practical skills to work toward solutions for local water issues.

I am a strong believer in a community working together and volunteer as a local Cub Leader and participate in working bees at Deep Cove.

In my line of work I meet so many talented and hard working people from all walks of life in our community and would be privileged to represent you all on council.
