I have forwarded my name again in this years local body elections so that I may continue with our district needs, being a strong advocate for both the Mataura ward and the Community Board.

I feel that I provide effective representation around the Council table to deliver Mataura responsive and affordable services, identify our interests and be held accountable for any actions we take. While being your representative, I feel that I maintain an overview of the district policies, and that any change will be for the good of our entire community.
