

Gore District Council
Kaiwera - Waimumu Ward
Electing 1 Councillor

Stewart MACDONELL

My principal place of residence is in the Kaiwera - Waimumu Ward area.

Introducing, Stewart MacDonell as a candidate for the Kaiwera-Waimumu Ward.

We moved back to the Gore District in 2015 when I took up the position of Finance Manager at

Waikaia Gold. My wife and I have purchased a small farm at Chalton and we have two grown up children. We have previously lived in the Gore District from 1979 to 2003 where I worked at NZ Paper Mills Ltd as an Accountant but, had to move to Balclutha to take up employment firstly as Accountant for the CLT, then with Telford Rural Polytechnic where I was employed as Director of Finance and Administration until 2011 when Telford was merged with Lincoln University.

If, I were elected to the Gore District Council the areas of strength I would bring to the Council table are my skills in Strategic and Financial Planning along with my Business Management skills.
