

Gore District Council  
Council - At Large  
Electing 3 Councillors

---

---

**Nicky DAVIS**

My principal place of residence is in the Council - At Large area.

Age 53, I am married with 2 adult children, who both serve in the Royal New Zealand Navy.

My husband John, and myself, own Southern Office Products Depot, and have run this business

for 22 years.

I have served on Council now for a number of years, and with this experience believe I can provide solid judgement on the various issues that we face as a community.

I am particularly keen to see through the 3 Waters Freshwater Project, as I have been involved from the outset on this. I want to see the best and most cost effective solution go forward for development.

I am passionate about our community, and would be pleased to represent you again as a candidate at large.
