Cecil CRAWFORD

My principal place of residence is in the Clutha Ward area. I am also standing for West Otago Community Board, Clutha District Council.

I am a 62 year old farmer who lives at Waikoikoi with my wife Vanessa and am a father to 2 adult children and 3 young daughters. I farm sheep on my property and have done so for 39 years. I am an honest and reliable person who always gives 100%.

I am very interested to join the Gore and Districts Health Inc. Clutha Ward, as I believe we need a good representation of our community on that panel.

I am currently a Waikoikoi School BoT Member and I sit on several other committees such as; West Otago Community Board, Glenkenich Rural Water Scheme Committee, Waikoikoi Domain Board and the Waikoikoi Cemetery Committee.

To this end I believe I could bring a new perspective to the Gore and districts health Inc. and I have a vested interest in how the people of West Otago are looked after in their community.
