

Mataura Licensing Trust
Ward 1 - Tapanui
Electing 1 Trust Member

Horace MCAULEY

My principal place of residence is in the Mataura Licensing Trust area.

I am once again delighted to be nominated to represent the Tapanui Ward in the upcoming Licensing Trust elections.

This area is extremely lucky to fall within the Mataura Licensing Trust boundary and I have been buoyed by the support and positive response that we continue to receive from the current Board of Trustees and the excellent Management team.

Be they for Educational, Cultural, Community or Sporting requirements, we have seen very generous contributions and support continue to flow our way.

This support has been repaid a hundred fold by the results and praise our area achieves.

It has been an honour to represent the Tapanui Ward since 2007 and to have been MLT President since 2010.

Proudly, the Mataura Licensing Trust is recognised as one of the leading Licensing Trusts in New Zealand, and, strategically, all arrows point to this direction continuing.

Thankyou again for your support.
