

Mataura Licensing Trust Ward 2 - Gore Electing 3 Trust Members

Ross HASLEMORE

My principal place of residence is in the Mataura Licensing Trust area.

As a long-time local I wish to use my skills and abilities to help shape the future of the MLT, I have worked for two companies since leaving Gore High - GWDs and GDC. I also operate the

Charlton Motel along with my wife.

As Board Chairman on Ice Sports Southland during the development and completion of the Ice Rink, along with developing the Multi Sports complex shows us the strong benefits of having a Licensing Trust. Other groups I have been involved with are:

Eastern Men's Hockey Chairman/ Secretary

Chairman of Mataura Hockey Turf Fundraising Committee

Multi Sports Establishment Committee Chairman (two years)

Current Member Gore Golf Club (member since 1996)

Gore and District RSA (member since 2014)

Having been involved in fundraising for projects I totally understand the issue of securing funding and the forecasting of future operating costs associated with the continuous operation of these completed projects.
