

Mataura Licensing Trust
Ward 4 - Rural
Electing 1 Trust Member

Vince AYNsLEY

My principal place of residence is in the Mataura Licensing Trust area.

I am married to Bella Aynsley and we have four children, Ben, Sophie, Anna and Sara. I come from a family of seven siblings. We own a sheep and beef farm at Waimumu and I have been

farming the property for over twenty years.

I am the current MLT board member for the rural ward. I believe I have added a positive and balanced influence on the board and respectfully ask for your support to represent you again with the knowledge I have gained over the last term.

As a family, we are passionate about hockey. I am a member of the local hockey board and we are active members in giving back our time to the sport as administrators, coaches and umpires.

I am proud to be living in and being part of our amazing community that the MLT supports.
