**Yvette DAVIS**

My principal place of residence is in the Mataura Licensing Trust area.

My name is Yvette Davis, I am a Gore local, born and bred and proud to call Mataura home.

I am actively involved at Gore High School working in the library and as a teacher aid.

I am Senior Vice President of Gore Musical Theatre and secretary of the Operations Committee for the SBS St James Theatre. I recently came off the Longford Intermediate Board of Trustees after 6 years of service.

I love being involved within the community in a variety of roles, I am a very organised individual who likes to take on a challenge and would love to represent Mataura on the Mataura Licensing Trust Board as a board member.
