Electing 5 Board Members

Alan TAYLOR

My principal place of residence is not in the Mataura Community Board area.

My wife Jennifer and I farm close to the Mataura township, and operate other small business interests in the town. I believe there are opportunities to continue to bring positive change to the town and its people, and am committed to make a difference, striving for a new future for our community. I have appreciated working together this past term with all those involved, on various projects, and in achieving set goals. There maybe some things we cannot change, yet I am confident there is much we can do to make a more welcoming environment - a place where people will want to live and work, raise a family, or simply enjoy retirement.
