

Gore District Council
Mataura Community Board
Electing 5 Board Members

Linda SINCLAIR

My principal place of residence is in the Mataura Community Board area.

I have lived in Mataura all my life and brought up our family here. I currently work part time in Mataura, I am involved in a number of community groups, the Mataura Rugby Club, The

NZ Gold Guitars committee, Gore Community Patrol and 9 years on the Mataura Community Board.

I have certainly enjoyed my time on the Board, working through community issues along with the challenges they bring. There are still some projects that we are currently working on and I would like to see these through to completion. Mataura is certainly growing in many aspects, our pre-school, our school is increasing, houses are selling, business growth is healthy and I still enjoy living here.
