

Gore District Council
Mataura Community Board
Electing 5 Board Members

Tanya ROWLING

My principal place of residence is in the Mataura Community Board area.

I've lived in southland for 15 years and owned a home in Mataura for 9 years. During my time in southland I've been a sport's coach for netball, gymnastic, soccer and the treasure for Mataura pony club where I still judge event's on request. I have been a volunteer for a local youth group the bunker and the gore and districts SPCA. During this time I was the manager, animal welfare inspector and educational officer for animal welfare rights. I'm currently employed by Vetsouth and our local RSA. During my spare time I enjoy interacting with the local catching up for a yarn, reading books, working on the farm and cavalcades with my horses.
