(Memo from Roading Manager - 08.08.14)

- ✦ Attached is a letter from Mr Peter Robinson, Senior Network Manager for NZTA containing information about a speed assessment undertaken in the vicinity of the community gardens on Kana Street.

The suggestion that signage be erected when the gardens are operating on a Saturday is worth pursuing.

AND THAT the suggestion from NZTA to install signage when the community garden is operating on a Saturday be implemented.

3. QUEEN'S PARK SIGNAGE

(Memo from Parks and Recreation Manager – 01.08.14)

Two new updated signs for Queen's Park have been produced and will be installed within the next week or two.

RECOMMENDATION

THAT the information be received.

4. FORMER PICTURE THEATRE BUILDING

The Chairman will provide a verbal update on the former picture theatre building on the corner of Main and Carlyle Streets.

5. RAILWAY CROSSING – BRIDGE AND MAIN STREET INTERSECTION

(Memo from Roading Manager – 13.08.14)

The Board has raised its concern about stationary trains in the railway yard that cause the Bridge Street alarms to operate for a prolonged period of time. As a result, there is concern about the risk of vehicles and pedestrians crossing the railway line while the alarms are still sounding.

I am waiting for a response from KiwiRail Operations and should be in a position to provide an update at the meeting.
