Introduction

Welcome to our *Living Well in Later Years Guide 2025*.

Ready for Living (Te Ara Tiketike) is a Gore District Council community-led project generously supported by the PH Vickery Trust.

Following the success of the first and second editions, we are proud to produce the third edition of the guide. This booklet contains helpful information to support older people in their daily lives.

Our goal is to empower older people with the knowledge and connections needed to live a happy, healthy and fulfilling life in the Gore community.

To enhance the quality of life for older people, we need a well-coordinated approach that supports health, well-being, safety, mobility, accessibility, recreation, housing, and work opportunities.

We hope you find this guide informative, helpful and inspiring. Let's stay connected and thrive together.

About Ready For Living (Te Ara Tiketike)

Ready for Living's role is to support the Gore District's population to age in a safe, secure and healthy environment while living a full life. Ready for Living contributes to the well-being of the Gore District's older population in the following ways:

Advocacy

We advocate for equal access to services for older people living in the Gore District.

Information

We develop and share information for older people in community groups, local media and on our website.

Age Friendly Business

The Age Friendly Business initiative recognises businesses and organisations to create an accessible, inclusive and respectful customer experience and to offer products meeting the needs of all customers.

Free Parking and Swimming for Over 80s

The Gore District Council offers free parking and free swimming for people 80 years of age or older.

Events

We organise and assist with planning events for older people in the community, including morning teas, information sessions and learning opportunities.

Enduring Power of Attorney (EPA)

An Enduring Power of Attorney (EPA) is a formal document that protects you and allows you to choose someone to make decisions for you if you become unable to make them yourself. This person is called an attorney. It gives you peace of mind for the future - you've decided ahead of time who you trust to make decisions for you. A good time to arrange your EPA is when you're making or updating your will or engaging with a legal professional on another issue.

You can choose one or both kinds of EPA:

- One that covers your personal care and welfare
- One that covers your property

When choosing your attorney choose someone that:

- Knows you well
- You trust that person to make decisions for you
- Is willing and able to take on the responsibility for being your attorney
- Clearly understands what the role requires

For more information contact:

- Community Law Centre
- Age Concern
- Citizens Advice Bureau
- Your local legal professional
