Request for information pursuant to LGOIMA 1987:- Last evening I exercised my right under s14 of The New Zealand Bill of Rights Act 1990 and posted this link to a youtube video of a rendition of "God Save The King" as a small part (the whole) of our commemoration of our King's birthday:-

https://youtu.be/XZGRxn9eCxU?si=BejLQ8_b90HssZHB A few hours later it disappeared. 1/ Can you please explain why that happened? 2/ Can you please tell me how many comments posted under right of S14 of NZBORA 1990 are removed annually from this official public page in contravention of S21 of that Act (prohibition of unreasonable seizure...of correspondence or otherwise)? 3/ Does council propose to indulge itself with the same total immersion in and active promotion of the matariki events with multiple promotional posts and the expenditure of countless staff hours and ratepayer dollars as last year? **NOTA BENE:-** A/ The entirety of this post is an Official Information Act Request for information and you **MAY NOT** interfere with it in any way, shape or form, including, but not limited to, removing it from public view or hiding it by some other ruse, or ignoring it.

Rawiri David Good morning again - we've talked to the team and your post was mistakenly deleted as staff thought it was a spam or worse, a scammer. We often get post links on our page like this. Again, we're sorry for the mistake.
